

# Mid-South Trails Association Membership Application

The Mid-South Trails Association is a Tennessee non-profit 501c3 organization representing off road cyclists. Our goal is to represent the interests of the mountain bike community to land managers in a professional, organized manner. We seek to:

- Work with land managers to create, maintain, and improve cycling approved trails.
- Through political process reopen unjustly closed trails.
- Promote responsible off road cycling and peaceful coexistence among all trail users.

## Mountain Biking Needs Your Support.

Thanks to the support of our members, Mid-South Trails Association has accomplished several important items for off road cyclists. Continuing support is necessary for this work to keep the work going. MSTA accomplishments:

- Ended the bicycle restriction in the Lucius Burch Natural Area which opened the all of Wolf River Trails.
- Successfully challenged implementation of the TWRA High Impact License fees at Herb Parsons Lake Trails.
- Convinced the Wolf River Conservancy to change their boardwalk route through the LBNA.
